

A guide to New Zealand's

State Services

The term 'State Services' is defined in the State Sector Act as including 'All instruments of the Crown in respect of the Government of New Zealand'.

This includes Public Service departments, non Public Service departments, Crown entities, the Reserve Bank and entities on the new Public Finance Act Fourth Schedule (such as Fish and Game Councils). It excludes Tertiary Education Institutions and State-owned enterprises.

The agencies in the State Services, plus a range of other organisations included in the annual financial statements of the Government, collectively make up New Zealand's wider State sector.
